

Join Us— Long Beach Airport Advisory Commission Study Sessions

The Long Beach Airport Advisory Commission Study Committee has scheduled a series of sessions to address proposed airport terminal improvements. You are encouraged to participate in this important process.

Time: 6 - 8 p.m.

Locations: January 29 session:

Long Beach Petroleum Club
3636 Linden Avenue

All other sessions:

Long Beach Energy
2400 E. Spring Street

Thursday, January 29—

Airport planning and project design will be discussed, as well as parking demand forecasts and the proposed health risk assessment.

Thursday, February 19—

Presentation by LGB users groups, including airlines, TSA, tenants and businesses.

Thursday, February 26—

Community presentations by neighborhood and business groups, as well as concerned citizens. Contact Sharon Diggs-Jackson, (562) 570-2636, to schedule your appearance. Please submit an advance copy of your presentation/position paper by February 19 for photocopying and distribution at the study session.

Thursdays, March 18, April 15, May 20

Topics for all meetings may change or carry over to subsequent meetings depending upon interest and participation.
